## ABOUT TASH

Founded in 1975, TASH is an international leader in disability advocacy. The mission of TASH is to promote the full inclusion and participation of people with significant disabilities in every aspect of their community, and to eliminate the social injustices that diminish human rights.

TASH supports inclusion and the human rights of people with significant disabilities. The inclusive practices we promote are backed by research and are shown to improve outcomes for all people. TASH envisions a world where all people are afforded the dignity of high expectations and supported to live in accordance with their aspirations as full members of and contributors to their communities, without control from another person or system and regardless of the extent of their support needs. Together, our mission is advanced through:

- Advocacy for equity, opportunities, social justice and human rights
- Education of the public, government officials, community leaders and service providers
- Research that translates excellence to practice
- Individualized, quality supports in place of congregate and segregated settings and services
- Legislation, litigation and public policy consistent with the mission and vision of TASH

## ABOUT THE SYMPOSIUM & AWARD DINNER
