

#2025TASHConf

Sponsorship & Exhibitor Marketing Opportunities

About TASH

TASH

TASH advances equity, opportunity and inclusion for people with disabilities, with a focus on those with the most significant support needs in the areas of education, employment, and community living through advocacy, research, and practice.

2025 TASH Conference

December 4 - December 6 • Hyatt Regency Denver • Denver, Colorado

The TASH Conference brings together self-advocates, family members, educators, professionals, researchers, service providers, and other allies to share resources and success stories, learn about field-driven best practices, and network within a community engaged in shared values. This year’s conference theme is **Scaling New Heights**.

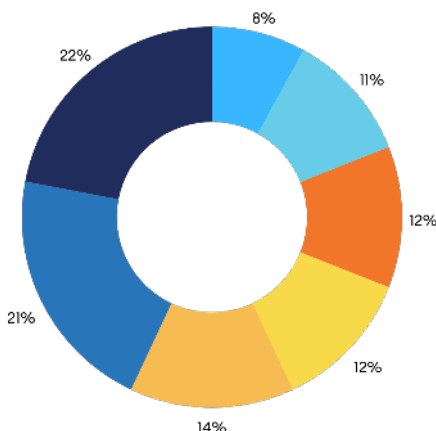

The TASH Conference is attended by passionate leaders, experts, and advocates from every corner of the disability community. Conference attendees are influential in their fields and communities, and play an important role in the provision of services and supports for the millions of individuals and organizations around the world; and includes professors and researchers from leading institutions; those involved in local, state, and federal governments and public policy; special and general educators, and school administrators; self-advocates, adult service providers; students, family members, and many others. The unique community that attends the TASH Conference brings many benefits for sponsors and exhibitors.

Sponsoring with TASH provides:

- A platform to share your story and build brand awareness
- Access to a large, discerning consumer base, interested in the highest quality of life for ALL
- Access to customers with resources and the need to utilize your solutions
- The opportunity to showcase innovations to an international audience
- Top quality professional development on timely topics
- Access to the nation’s thought leaders on best practices in education, employment, and supported living

Conference Audience Profile

- Advocates
(Self Advocates, Families, & Supporters)
